I am Anna

Hello! My name is Anna. I am from Germany, and now I live in Australia. I am 24 years old. I came to Australia six months ago because I want to learn English and have a new ~~job~~ experience.

I live in Melbourne with two friends. One is from Brazil and the other is from Japan. We speak English together every day. Sometimes it is dificult but we help each other and learn new words. difficult

I work as a waitress in a small café near the city. I work in the morning and at lunchtime. I like my job because I meet many people. Some customers are very friendly and patient, and they help me practice English.

Sometimes I feel nervous when I don't understand, but I always try my best.

In the afternoon, I go to my English classes. I study English every day from Monday to Friday. My teacher is very kind, and my classmates are from different ~~country~~ countries.

We do speaking, listening, reading, and writing activities. My favourite part is speaking because I want to feel more confident.

After class, I usually go home and do my homework. I also watch TV shows in English and listen to music.

On weekends, I like to explore the city. I go to parks, museums, and sometimes to the ~~cinema~~ beach.

I love Australia because the people are friendly and the weather is nice.
