ON → days and dates.
on Monday • on Saturday • on 22nd September • on my birthday

AT → exact clock times (and a few special words).
at 7:30 • at night • at the weekend • at lunchtime

From Morning to Night

a. Read the story about Lucia's day.

A Day in My Life

by Lucia #morning #family #arepas #happy

I get up very early, at 5:00 in the morning. I am not tired because I love my job! I make arepas in my little café in Medellín.

First, I have a big coffee. Then I open the café at 6:00. In the morning, a lot of people come before work. They are hungry and very happy to see me!

At one o'clock I have lunch with my daughter, Sara. She is seven years old. After lunch, we play for half an hour. It is my favourite moment of the day.

In the afternoon I am very busy, but on Saturdays my husband helps me. We work together and we laugh a lot.

In the evening I close the café at 7:00. Then I go home, I cook dinner, and I watch TV with my family. I never go to bed before 10:00, but sometimes I fall asleep on the sofa!

I work hard, but I am happy. My little café and my big family make every day perfect.
