Receptionist	Guest
Good morning. Welcome to the Transnational Hotel. What I do for you?	Good morning. My name is Tom Sanders. I have a reservation for a sigle room for three nights
Alright, Mr, Sanders Let me pull up your reservation. I can't seem to find a record of your booking. Did you book the room directly through us, or did you use a hotel reservation service or a travel agent?	I booked it directly through you I've already also paid a deposite on the first night. I have a reservation number if that helps.
Yes, Sure, Can I see that, please? Tank you. Oh I see Maybe there was a glitch with the booking system. Well, we dont have any more single rooms available, with the exception of one adjoined room. But you would then be right next door to a family with children, which might get noisy. But that's a problem. I can upgrade you to one of our business suites. They all come with jacuzzis!	Oh! That sound nice. But how much more is that going to cost?

It's well of course be a real extra charge for you.

Oh, thank you

My pleasure

What about the wireless Internet?

Oh it's really easy. This is your wireless code and instructions on how to use it. If you have any problems, feel free to call the front desk. And this is a list of all the hotel amenities, like a gym and the indoor pool.

Ah! Thank you, very much

You're welcome. Has the valet already taken your car or will you be needing a overnight pass?

Oh!, I don't have a car. I took a taxi from the airport.

Alright. Could I have some form of ID please? And could you just fill out this registration form?

Sure, here's my driver's license

Thank you. Oh! you're from San Francisco

Yes, I am. All the way from the west coast

I hope you had a good trip

Yes, I did, thank you. The flight was long, but it was smooth and I slept almost the whole way.

And is this your first time in the big Apple?

Yes, it is. I have a bussiness conference to attend

but I'm looking forward to getting some sightseeing done as well.

Well, I'd be more than happy to give you some sightseeing tips if you need any

Thank you

Alright. I've got you all checked in to your room. This is your room key. You're in room 603. Just take the elevator on the right up to the 6th floor. When you get off the elevator, turn right. Your room is at the end of the corridor on the left-hand side. Just leave your suitcase here and the bellboy will bring it up.

Great! Thank you very much

If you need anything please feel free to dial the front desk. Enjoy your stay

Thank you

You're welcome
