Workshop 21: A House with a History ➤

Describing where you live, and what is in it

Name: Didier Herrera Date: 14/10/26

This workshop goes with unit 8B of your book. Keep the book open beside you: the two listening tasks use the texts on pages 64 and 65, and you write your answers here.

You will need four recordings: **8.11**, **8.12**, **8.13** and **8.14**. Play each one as many times as you want. Three times is normal, and nobody is watching.

- **Part 5** Project: build a model of your house
- **Part 6** Speaking: your video, on our Facebook page

Central heating is a system that makes a house warm.

Air conditioning is a system that makes a house cool.
